

Nostalgie

Nostalgie range cookers integrate highly professional technologies and excellent materials with a classic style that is always inspiring. Undisputed protagonists of the kitchen, they offer a complete choice of sizes (from 30 to 60 inches) and various configurations: you can choose the flush-top induction up to 6 cooking zones with bridge function for 48 inches version, single or double oven, standard colors or RAL colours on request, various finishes and accessories. Only available as an option for the Nostalgie collection, Noblesse frames are more than just a detail: they are a fine design feature that frames the front panels, matching the metallic finishes of the handles and knobs. The blind door inspired by the past is another option that elegantly enriches the style of Nostalgie.
