URBAN BONFIRE x DEKTON COLLECTION

Inspired by Nature, Designed for Life Outdoors

We believe that the outdoors is more than just a space — it's where memories are made, stories are shared, and connections grow stronger. This philosophy has driven us to create our latest outdoor kitchen collection, a true embodiment of the joy and warmth that outdoor gatherings bring.

Crafted in collaboration with Cosentino, this line features cladding in the innovative Dekton Ukiyo and sleek Dekton Slim surfaces, elevating outdoor cooking with materials built to endure the elements while offering tactile beauty.

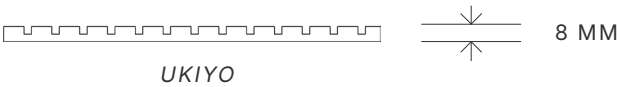

Our collection integrates high-end materials, precision-engineered stainless steel hardware and functional accessories, all chosen to withstand the elements. Our attention to detail reflects Urban Bonfire's unwavering commitment to delivering the highest-quality outdoor spaces.

Cladding Options

DEKTON® UKIYO

Experience the beauty of living textures crafted by nature. The fluted surface of Dekton Ukiyo brings depth and dimension to your outdoor kitchen, blending clean lines with striking visual appeal for an effortlessly sophisticated design.

DEKTON® SLIM

This ultrafine, smooth surface brings understated elegance to your outdoor kitchen. Its minimal thickness and sleek texture create a seamless, modern aesthetic that elevates any space.

Finishes

 NACRE & CLAY

Dekton Nacre is a creamy color that ranges from fine microcement to lime plaster, featuring subtle details and a degraded texture for a rich sensory experience. Combined with Urban Bonfire’s Clay, an elegant rich beige that enhances the atmosphere of any classic outdoor living space. Together, they create a warm and inviting aesthetic.

 BROMO & ONYX

Dekton Bromo is a dark gray shade inspired by homogeneous metamorphic rocks like slate, featuring subtle graphics and a textured, natural aesthetic. Paired with Urban Bonfire’s Onyx, a deep black that makes a bold statement, this combination ensures your kitchen will stand out beautifully in any outdoor environment.

 CABINETRY
Marine-grade aluminum structure powder coated in our proprietary NACRAE™ finish.

 CLADDING
Choice of Dekton® Ukiyo (8 mm) or Dekton® Slim (4 mm) cladding.

Appliances & Plumbing

Choose from a curated selection of in-house appliances and plumbing fixtures, including the Italian-crafted Fògher grill, the integrated Pitt Cooking power burner and sleek Perlick refrigeration units. Whether opting for our premium in-house options or integrating other high-end products, every layout is thoughtfully designed to deliver the ultimate outdoor entertaining experience.

Stepped sink and telescopic faucet.

Fògher drop-in grill with stainless steel flat top griddle.

The PITT Cooking Azuma burner.

Accessories

More than a cabinet, this is a functional and adaptable storage system. Choose from a selection of accessories in order to maximize the functionality of your outdoor kitchen. Using our Universal Track System, these accessories can always be adapted to suit your specific needs.

Product Index

24" CABINETS

Accessories sold separately.

SKU

(DK/UK) **BF24-U**

Features

- Keyhole track system for accessories

Spec Sheet

Equipment sold separately.
