

Section 1: Floor to Ceiling Height

Section 1: _____

Subtract:

Section 2: _____

Section 3: _____

Section 4: _____

Height of Duct Cover Needed: _____

Ceiling height may be affected by crown molding and/or a soffit above the hood. Please consider these factors when determining the available floor-to-ceiling height.

Vaulted Ceiling Duct Covers

Vent-A-Hood can manufacture custom duct covers with a sloped top to accommodate a vaulted ceiling. To ensure a precise fit, dimensions of the duct cover are required. Contact Shady Oak Distributing for assistance with measurements, specifications, and ordering.
